

## Skills Workshops

### October

# Pathways to Family Business Success

- What family businesses have taught us
- What we have taught family businesses

We have had the opportunity to interview and work with more than 100 local family business owners in the past 3 years. Now we want to share with you the key threads of success that ran through all of those stories. Practical, simple, real life solutions to the challenges of growing a profitable family business that can succeed for generations.

#### Who should attend

Anyone in any capacity of a family business.

Register today and  
your guest comes
