Grand Valley Human Resources Professionals Association and
Remax Twin City Realty Inc presents...

An evening with Kevin O'Leary

Kevin O'Leary's impressive reputation has been built upon his entrepreneurial vision, investment smarts and drive to succeed. In addition to being featured on the CBC's Dragon's Den, O'Leary is the co-host of CBC's Lang & O'Leary Exchange, BNN's SqueezePlay, the host of BNN's O'Leary Live, and a 'Shark' on the ABC show, Shark Tank. He was the co-founder of the extremely successful SoftKey Software Products, which after numerous acquisitions was sold to the Mattel Toy Company for \$3.7 billion. Involved with numerous organizations, O'Leary has developed a cult following among financial professionals and smart investors with his pull-no-punches look at the good, the bad and the ugly with respect to the markets and economic opportunities.
